Work Discussed at the Last

Meeting of Fiscal Year. The Indiana Board of Charities held the last meeting of the fiscal year in Secretary Butler's office yesterday afternoon. The subject of visits to the various state institutions was discussed. It was given out that these institutions have been found making more progress the past year than during the previous year. Many repairs have been made, additions completed and new buildings erected. Each institution has been visited one or more times. The sec- i no other reliable antidote. Sold by druggists,

MUCH INTEREST IN THE MEETING AT TABERNACLE CHURCH.

An Address by John Willis Bear of Missionary Work-Reports of Officers-At Other Churches.

Tabernacle Church was well filled las night with delegates and members of the Presbyterian churches of this city at the meeting of the nineteenth annual convention of the Woman's Synodical Society of Home and Foreign Missions of Indiana. There are 131 delegates present from this State. The convention was opened yesterday afternoon with a business conference of the executive committee.

Much regret was expressed at the evening meeting because of the inability of the Rev. Graham Lee to be present. He was called to Minnesota by a telegram announcing the serious illness of his father. He was to address the assembly on "Korea." Th principal address last night was made by Mr. John Willis Bear, world's secretary of the Christian Endeavor Society. In speaking of missionary work he said: "We must evangelize or fossilize, preach or perish, and young people and old people must cooperate hand in hand in order that methods may be kept up to date. Our meetings | The Police Asked to Investigate Three should be carefully planned and more money must be given by individual members. I plead for less criticism of young people and for more definite and practical

work, which, he said, is the dominate force evening services, and the report of the orresponding secretary, Mrs. R. V. Hunter, showed that there was no great advance report this year. The report states that he synodical pledge has been fully met and the presbyterial societies report encouragingly. Two of them celebrated silver anniversaries during the past year. The report shows there are 183 missionary societies in the State and 4,486 members. The amount contributed for all purposes

The report of Mrs. J. E. Brown, secre-\$1,266.28 was contributed for foreign missions, \$1,429.03 for home missionss, and \$239.08 for freedmen. Mrs. Brown, in her epends upon the interest in missions. Inliana stands fourth in the roll of States with respect to gifts for missions. The special object of the societies the past year has been the salaries of Miss Grace Glenn, the Indiana Endeavorer in Japan. Indianapolis Presbytery has assured the salary of Miss Moorman in China, reported Mrs. Brown. The home object was the salary of Prof. Kelly, at Sitka, Alaska. The report also alludes to the need of funds for the hospital at San Juan and for a contribution of \$500 to go to Brainerd Institute. The reports of presbyterial secretaries will be read this morning. The programme tion to county institutions, particularly jails for this afternoon and evening includes and poor asylums, Orphans' homes, he said, addresses by Mrs. John W. Kern, Mrs. S. have generally been held to be a fair A. Bonner, Mrs. Charles P. Luce and Miss standard. There was a full attendance of Lydia A. Hays, of Santa Fe, N. M.

Situation in the Philippines Discussed by the Cabinet-Recruits Not to Be Hurried to the Islands.

WASHINGTON, Oct. 29 .- A considerable

part of the Cabinet meeting to-day was dehad employed the woman on several occa- voted to consideration of the military situation in the Philippines. The meeting was attended by all the members of the Cabicussion of the Philippine situation. The subject was brought to the attention of the house and demanded payment. Yesterday President and Cabinet by Secretary Root. The conditions of the island of Samar, where the United States troops suffered the most severe check they have encountered yet in the Philippines, in the massacre of When she returned that woman, too, was almost the entire Company C, of the Ninth Infantry, had led the War Department to consider the propriety of stopping, for the ing on in the Philippine army through the discharge of thousands of enlisted men whose terms are expiring. However, after hearing Secretary Root's report and discussing the situation thoroughly, the Cabinet decided that there was no present occasion to suspend the reduction in the United States military forces in the Philippines. The original policy, therefore, will prevail and it will not be necessary, it is understood, to send to the Philippines at once the half-dozen regiments selected for the service last week. Secretary Root said the sporadic outbreaks at isolated points in the islands would be dealt with properly, and additional troops to meet these small emergencies scarcely would be needed. The President announced that he had completed practically the Thanksgiving proclamation and it would be promulgated in a few days. While no public statement has been made on the subject it is known that President Roosevelt has nearly completed his message to be delivered to Congress at its ses-

GENERAL GREELY'S REPORT.

cific Cable Is Needed.

sion in December.

WASHINGTON, Oct. 29 .- General Greely, chief signal officer, in his annual report, says: "The operations of the signal corps have been coexistent with the operations of the army of the United States, not theoretically, but on broad lines and activities which have comprised practically the en-A number of men connected with colleges | tire area, not only of the United States proper, but also of Alaska, Cuba, Porto House last night. dency, and other ailments -

Hood's Sarsaparilla was given the daughter of Silas Vernooy, Wawarsing. N. Y., who had broken out with scrofula sores all over her face and head. The first bottle helped her and when she had taken six the sores were all healed and her face was smooth. He writes that she has never shown any sign of the

scrofula returning.

Large Dividends Are Assured=

being carried on night and day. As the work progresses the ore veins become wider and richer,

The Salt Lake & Pacific and the Oregon Short Line Railroads now under construction and to be completed to our mines in a few months, will deliver the materials and machinery for the mill. We are using every effort to get the mines in shape as quickly as possible to take out the large quantities of ore required per day
